

*Why does she yell
throughout the day?*

*Why does he keep trying
to leave the unit?*

*Why does she
always say that she wants
to go home over & over?*

*Why does he always put up
a fight at bath time?*

*Why does she keep
wandering into the other
residents' rooms?*

Are Behavioral Issues a BIG Challenge to Your Staff's Day?

Avila Institute of Gerontology is now offering a customized program to teach staff how to identify and handle behaviors. AIG will come to your facility and teach in-services to all staff shifts, help develop a behavior management team and help work one-on-one with residents. The results are amazing!
