

Fall 2011 Webinar Series

DVD Order Form

AVILA INSTITUTE
of GERONTOLOGY, Inc.
Education for Compassionate Care

The recorded sessions of the Fall 2011 Webinar Series will be available to purchase on DVD. These 1 hour presentations will make useful educational tools and resources for staff training in-services. DVDs cost \$49.00 each or a discounted price of \$20.00 each for webinar participants who had purchased a computer login for that specific webinar. To order the DVDs please fill out the form below and mail with check to Avila Institute (see details below). Any questions or concerns can be directed to Erin Pietrak at 518.537.5000 or erinp@avilainstitute.org. (Continuing Education and Certificates will not be issued for watching the DVDs.)

Webinar	Quantity	Total
<p>How Aging and Dementia Effect Resident Behaviors <i>Presented by Alfred W. Norwood, BS, MBA</i> (11/3/11) Reducing behavioral symptoms using alternative solutions and tools to successfully manage problem behaviors provides compassionate person-centered care. During this one hour presentation, Alfred Norwood, BS, MBA, provides an overview of why problem behaviors occur amongst aging people with different forms of dementia. He'll discuss problem behavior analysis, the warning signs to look for, and how to identify and eliminate the behavior triggers.</p> <p><input type="checkbox"/> DVD: \$49.00 <input type="checkbox"/> DVD with Webinar Login Discount: \$20.00</p>		
<p>Effective Interventions for Residents with Behavior Concerns <i>Presented by Alfred W. Norwood, BS, MBA</i> (11/18/11) Behavior concerns amongst residents with dementia may effectively be stopped, minimized or reduced by using appropriate interventions and assessment tools. Alfred Norwood discusses how your care team can design, implement & evaluate interventions that fit the behavior which may result in positive changes. These positive changes may include improved resident mood/behavior and cost effective reduction of time spent in daily care by caregivers.</p> <p><input type="checkbox"/> DVD: \$49.00 <input type="checkbox"/> DVD with Webinar Login Discount: \$20.00</p>		
<p>Striving for Excellence in Ethics <i>Presented by Fr. Thomas Nairn, OFM, PhD</i> (11/29/11) This presentation will describe the elements of a robust ethics program, analyzing and evaluating the effectiveness of ethics committees and ethics consultation in long-term care. It will discuss the role and qualities of an ethics leader, how an ethics committee is structured, its values, its functions, the competencies of its members, stages of the consultation process, qualifications of consultants and the importance of documentation to foster an ethical environment and culture that supports ethical practices and addresses ethical issues in resident care and ensures staff are supported to adhere to high ethical standards.</p> <p><input type="checkbox"/> DVD: \$49.00 <input type="checkbox"/> DVD with Webinar Login Discount: \$20.00</p>		
<p>Early Palliative Care Provides Overall Satisfaction of Care <i>Presented by Howard Gleckman, BA</i> (12/14/11) This presentation will describe elements of successful palliative care models and the important benefits of such models. It will discuss research as powerful evidence that palliative care works and how to design high performing palliative care programs that when managed properly, can improve outcomes and resident satisfaction. It explains why more hospitals and nursing homes should adopt such models and why residents should seek out providers who offer palliative care that addresses physical, emotional, social and spiritual needs and provides overall satisfaction of care for the resident and his or her family.</p> <p><input type="checkbox"/> DVD: \$49.00 <input type="checkbox"/> DVD with Webinar Login Discount: \$20.00</p>
